**Arrival and Checking In: Friday from 18-21 and Saturday from 7:30-9-00**

**All cavies must be checked in also those under transit.**

Norwegian rules for check in will apply.

<http://www.norskmarsvinklubb.no/uploads/2/3/3/2/23327806/utstillingsreglement.pdf>

The cavies that are rejected during check-in will be placed, in brought cages/carriers that are at least 29x34cm in size with food and water available, in the quarantine room.

**This is a cageless show. All cavies being shown must stay in their carriers (of at least 29x34cm in size, 3 rooms in an aluminium pigeon basket).** There will be free bedding, hay and vegetables of good quality available. Food bowls, water bottles and pellets must be brought by owner. It is expected that everyone helps to keep the area around the cavies tidy and clean. There will be a separate room for cavies when not shown.

Cavies in transit must be in cages/carriers of at least 29x34cm in size with food and water available in the transit Room.

All cavies must be present for both days until the show is over. Exceptions for guinea pigs participating in juvenile. The finals here will be held Saturday.

Children can show in the 'Juvenile Pets' category until and including the year they turn 15.

Membership: Anyone can show, but only members of DMK, DMF, SMF, NMK, NMF or SMY can compete for Nordic titles.

The Nordic countries will be competing against each other. The 10 best results for each country will be added up, and the country with the most points wins.
